

HOW TO ADD FAVORITES IN XTREME

START: BLACKBOX MAIN MENU SCREEN

Move to the Search icon() click it. When the keyboard opens, type the name of the closest MAJOR city in the search. When finished click the Mag Glass(). Arrow down to each one and Hold the Center Button down. Arrow over and click Add To Favorites. Click back. Arrow over and up to the Network Tv Folder. Use the Same process. Pick your top channels; Hold down Center button and click Add to Favorites. Try all the listed folders, and add unlimited Favorites. When you are done, go to the top of the Folders row and you will see the Favorites folder. Click it and you will see any channels you saved.

*POPULAR CHANNELS = NETWORK TV FOLDER
