

Use the information below to set up Favorites

-Blackbox Plus Neons-

1. Go to Blackbox Main Menu Page and arrow up to Master Search at Top Middle of Page. Type in your city or biggest city near you and your locals will appear below the box.
2. Arrow down to the first one. Hold the Center button down and a Heart will appear. Do this for each one that you want to add. It's that simple. You just added your locals as FAVORITES. Now click back and go to Live Tv. Use this next step for all other Favorites.
3. Arrow left and then down to click on Entertainment. Arrow over to listing of channels. Arrow down to the 1st channel you want to save. Hold the Center button down, a popup will appear. Click the Center button again and a heart will appear. That's it, those have also been saved to your Favorites folder. Do this for every channel you want as your Favorite. Once you are done, arrow back up to the top and click on Favourite and you will find all of your saved channels. Make sure you check Every category like 24/7 and News to discover new things to watch. Enjoy your Blackbox experience.
