

## How to Update your Xtreme Account(Token)

1. Start off by going back to the Xtreme Main Menu Page. This is the page with (Live Tv, Tv Guide, etc). Once you are on that page, click on either of the Settings() icons.
2. When the screen opens, arrow down and BBTv Xtreme(click it). Click Access token; input your new Token, and click the Check when done. Click Apply. Give it Time to load. When finished; Go to the left Menu bar and click Refresh(). Click Close and then back when you see OK. Now go down to Settings(). Move to the down to EPG teleguide(click it).TV Guide now. loaded. Done.
